CRUISES

The absolute best way
to experience the coastline

La Costiera Amalfitana con le sue bellezze naturali ed artistiche offre esperienze ed emozioni indimenticabili. Il modo migliore per assaporarle appieno, godendone tutta la bellezza lontano dalla folla, ma visitandone comunque le più belle località, è fare una crociera sui veloci yacht privati, forniti di ogni comfort, di Exclusive Cruises.

Exclusive Cruises offre gite in barca completamente personalizzate che toccano mete come Capri, Sorrento, Ischia, Napoli, e anche la vicina Costiera Cilentana, più tranquilla ma non meno bella della Costiera Amalfitana. Escursioni di una sola giornata o gite di un paio di giorni con un charter di lusso. A voi la scelta.
